Respected Sir,

**Subject: - Submission in respect of non-associated with the Association-regarding-**

Most humbly, it is submitted that, I understand that the Inspector's Association of this Zone is corresponding with the administration on several issues without the consent of all the executive members & other office bearers of the association. My name is also shown an executive member on the letter head of the association but I was never an active member of the association. The correspondences made by the Association were not in my knowledge before submission to the authorities.

I am hereby dissociating myself from any of the association in the Central excise, Customs & CGST Guwahati Zone, Guwahati.

Yours faithfully,

*Dhananjay Kumar*
